

*feel the magic of true dance*

### **Regular Classes**

- Course fee is SGD 80 per month for four classes. Fee cycle is monthly. Fee is due on the first class of the month.
- A nominal registration charge of SGD 15 is required for joining our class.
- If the month has five weeks, students would pay for five weeks in such a month.
- There are no fee refund for the missed lessons. A student would normally pick up the dance choreography in the next lessons. Student can also come for the makeup classes at other locations.
- Since the classes are directly led by Sampada, we do not have a replacement instructor in an unforeseen circumstance or she being away for some time from Singapore. These missed lessons fee would be refunded / adjusted.
- One month advance notice is needed to discontinue our classes. This helps us to plan for giving the chance to next students in queue. Full monthly fee would be charged if no advance notice is provided.

### **Workshop and Special Occasion Classes**

- Dance workshops and specials occasion classes are conducted based upon schedule availability. Course fee for workshops and special occasion classes is decided based upon the group size, theme, number of required lessons and location etc. We need to understand your specific requirement and encourage you to get in touch with us.
- One to one lessons are also available on special request. We also conduct corporate and school workshops.
